

THIS CAN'T BE HAPPENING...

GAHHH! GET OFF! HHNNGGG GET OFF ME!!!

The image features a central, heavily distorted and glitched portrait of a person's face. The face is rendered in shades of blue and grey, with visible digital artifacts and color fringing. Surrounding the face are several bright, multi-colored streaks and lines, resembling digital noise or light trails. At the bottom center, the text "MAKE IT STOP!" is written in a bold, yellow, sans-serif font with a black outline.

MAKE IT STOP!
